---

French majors are required to take 6 hours (2 courses) of a foreign language other than French. They may take up to 12 hours (4 courses) of a foreign language other than French that will count toward their requirements for a B.A. in French. If they only take the 6 required hours (2 courses) of a foreign language other than French, they are required to take 6 additional hours (2 courses of French elective courses.

*Revised & Updated, January 2010*
