The Clark Atlanta Football Program will hold its First Annual Three-Day Football Skills Camp. Campers ages 7 to 13 will learn the basics and fundamentals of football skills and movements, go through agility stations, stretching techniques, offensive and defensive drills, the kicking game and participate in a flag football competition. The overall goal for this camp is to provide elementary and middle school kids the opportunity to gain great exposure to the game of football. Campers will also have the opportunity to talk with current Panther football players and coaches about the complete definition of becoming a true student-athlete.
