MEDIA ALERT

May 18, 2011

THE CENTER FOR CANCER RESEARCH AND THERAPEUTIC DEVELOPMENT AT CLARK ATLANTA UNIVERSITY TO HOLD NATIONAL SYMPOSIUM MAY 22-24

WHO: Cancer researchers and educators from around the nation, with keynote speaker Dr. Timothy C. Thompson of the M.D. Anderson Cancer Center in Houston, Texas

WHAT: Will convene for the Seventh Annual National Symposium on Prostate Cancer

WHEN: May 22-24, 2011

WHERE: The Thomas W. Cole Jr. Research Center for Science and Technology on CAU’s campus

BACKGROUND: The Center for Cancer Research and Therapeutic Development (CCRTD) comprises a team of 50 research scientists, students and research associates devoted to significantly increasing the body of knowledge on cancer research, particularly as these diseases disproportionately impact African Americans. The Center seeks to do this through research, advocacy, community education and outreach in the battle against cancer, prostate cancer in particular. For more information and the program’s agenda, visit www.ccrtd.cau.edu or call 404-880-6763.
