### **ALL PANTHERS MATCH UP NOT A GOOD FOR CAU**

The Panthers of Clark Atlanta University (CAU) suffered their second defeat of the season in a 55-50 loss to the Panthers of Claflin University. The loss was the second consecutive for CAU. Since Claflin University is a provisional member of the Southern Intercollegiate Athletic Conference (SIAC), the contest was not a conference game.

After a first half in which both teams found it difficult to convert on baskets (CAU shot 28% from the floor while Claflin shot just 25%), the score at halftime was 19-19. While both teams raised their field-goal percentages in the second half, the Panthers of Claflin turned in a better performance in the last 20 minutes outscoring CAU 36-31 on their way to a 55-50 win.

CAU's junior guard Kevin Johnson led all scorers with 19 points. Jourdain Blackmon and Najee Lane finished with eight points each.

The CAU Panthers are now 2-2 overall and remain 1-1 in SIAC play.
