Lady Panthers Bag Wildcats for Third Straight Win

By: Zena Lewis, CAU Sports Information

With the season coming to an end, the Lady Panthers (15-10, 11-7) of Clark Atlanta University (CAU) continue to build the momentum with their third straight win defeating the Fort Valley State University (FVSU) Wildcats (17-9, 14-5), by the score of 73-70. Three Lady Panthers scored in the double digits to help avenge a loss to FVSU early this month and tie the season series with one game apiece.

New comer Shantrell Moss manufactured her ninth double-double of the season scoring 24 points (9-19 field goals) while hauling in ten rebounds. Moss assisted in the defensive effort with two blocked shots and three steals.

Juniors Karla Westmore and Danielle Walker aided in the Lady Panthers' assault combining for 30 points. Walker scored 17 points including three 3-point baskets. Westmore helped lift the team with 13 points (6-11 field goals) and seven rebounds.

In the first half of play, both teams executed offensively, exchanging the lead. FVSU shot 15 for 31, including three out of four from three-point range, for a 48 percent average. The Lady Panthers answered offensively, hitting 44 percent from the floor while shooting 67 percent from the free-throw line. As a result of the Lady Wildcats' 83 percent free-throw shooting, the Lady Panthers trailed at the game break, 43 – 41.

After halftime, the Lady Panthers' defensive game plan took a turn for the best. In the second half, The Lady Panthers' defense erupted to extinguish the Lady Wildcats' fiery first-half scoring. CAU held FVSU to 18 percent field-goal shooting in the last half. Walker, Westmore, and Moss combined for 23 of 32 second-half points to help maintain the victory.
