THOROBRETTES OUTDISTANCE LADY PANTHERS

The Lady Panthers returned to basketball action after the holiday season with a trip to Frankfort, Kentucky and a conference contest with the Thorobrettes of Kentucky State University. In their first action since 2007, the Lady Panthers were defeated by the Thorobrettes, 72-68.

Trailing 45-38, the Lady Panthers outscored the Thorobrettes in the second half, 30-27. However, in a game in which the Lady Panthers had 38 turnovers, it was clear that the Lady Panthers still suffered from the remnants of inactivity ushered in with the holiday season.

In the conference loss, Karla Westmore turned in one of her best performances so far as a Lady Panther. She finished with 18 points and 10 rebounds. The newest addition to the Lady Panther roster, Shantrell Moss, finished with 16 points and seven rebounds. The steady Tanesha Wright finished with 13 points.
