LADY PANTHERS DROP SECOND STRAIGHT

The Lady Panthers of Clark Atlanta University (CAU) lost their second straight conference game with a 65-60 loss to the Lady Tigers of Stillman College tonight.

A poor shooting performance in the first half by the Lady Panthers proved to be the difference in the game. CAU converted on just seven of 32 first-half shots. The 21% first-half conversion rate was one of the lowest for the Lady Panthers this season.

Trailing 30-22 at halftime, the Lady Panthers did a better job shooting in the second half. They converted on 15 of 41 shots. However, the 12 of 26 shooting performance by the Lady Tigers in both halves of the game stifled the attempted rally by the Lady Panthers.

Shantrell Moss led the Lady Panthers in scoring with a 19-point performance. She was seven of 22 from the floor and converted on three of five free-throw opportunities.

Junior guard Sheaywond Williams contributed 10 points and seven rebounds in the Lady Panther loss. Karl Westmore and Danielle Walker had 11 and 10 rebounds, respectively.
