Registration

Advisement: Summer School advisement starts April 7, 2008. Currently enrolled students at Clark Atlanta University should be advised by their program chair/advisor. Transient students should be advised according to the process at their home institution.

Registration: Summer School registration is scheduled to open, for continuing students, on April 14, 2008. Transient students for the Summer Session will have the opportunity to begin registration May 5, 2008. Please check the Academic Calendar for appropriate registration, enrollment and drop/add deadlines. All students must log on to <https://cauorapp.cau.edu> to register for courses. The Web will remain open for students until the end of the late registration period. Students who are registered and enrolled by the end of the late registration period will have the opportunity to drop/add classes online thru the end of the drop/add period. Any student who is not registered and enrolled by the end of the late registration period will not be allowed to enroll for the summer session.

Enrollment: All students must financially enroll by the designated deadline in the Summer Session Calendar. Once courses have been registered, students must officially enroll. Enrollment (fee payment) must be completed with the Office of Student Accounts via the mail, telephone, internet, or in person by the appropriate deadline as indicated on the Calendar. All tuition and fees must be paid in full or classes and registration will be cancelled for students who are not officially enrolled.

Late Registration: Summer Session late registration begins on May 27, 2008, and ends on June 6, 2008. A \$50.00 late fee will be assessed for all students who are not officially enrolled by the close of business on May 26, 2008.

Course Withdrawal: Summer Session course withdrawal dates and deadlines can be found on the Summer Session Calendar. The deadline to withdraw from a course for all sessions is **July 7, 2008**. Students who submit an application to withdraw from a course by this date to the Office of the University Registrar will receive a final grade of "W" for the course(s) requested. A course withdrawal form can be picked up from the Office of the University Registrar in Trevor Arnett Room 102. **Withdrawal from a course will not result in a refund of tuition to the student.**

Cross Registration: During the Summer Session, Clark Atlanta University does not participate in cross registration thru the AUC consortium or the ARCHE consortium. Please check the academic calendar for appropriate deadlines for cross registration during the Fall and Spring terms.

Financial Aid

Summer 2008 is an extension of the 2008-2009 academic year. Therefore, summer eligibility for financial aid will be based on the results of the 2008-2009 Free Application for Financial Aid (FASFA) and the amount of unused eligibility from the 2008-2009 school year.

Financial Aid for Summer Session: Applicants for financial aid for the summer session are required to submit a Clark Atlanta University application for Financial Aid (Summer 2008) and Master Promissory Note (not required if a loan was received Fall or Spring 2008-2009).

Transient Students - Incoming transient students interested in arranging financial aid for the summer session are to consult with the financial aid officers at their home institution. Outgoing transient students cannot receive financial aid from Clark Atlanta University.

Stafford Loans: Summer borrowing for the Stafford Loan program will be affected by how much you have borrowed during 2008-2009. If you were enrolled anywhere and received a Stafford Loan for 2008-2009, you may or may not be eligible to receive a loan for the Summer. Your financial aid advisor can help determine the best course of action.

Undergraduate Georgia Residents: If you will be enrolled for 12 hours of undergraduate course work, submit a 2008-2009 Georgia Student Grant Application (if you have not done so). The grant will be applied to your account after the drop/add period for the summer session.

Reminders:

- Your loan will come in two disbursements, the second of which you will not receive until the midpoint of the summer term.
- The application priority deadline for summer assistance is March 1, 2008.
- Inform the Office of Student Financial Aid immediately if there is any change in the number of hours in which you enroll for the summer.

Tuition and fees for the Clark Atlanta University Summer Session are due on or before **June 6, 2008**.
