## **BET's "College Hill" Not Produced by Or in Association with Clark Atlanta University**

**ATLANTA (March 12, 2008)** -- Clark Atlanta University administrators announced today that the institution did not participate in any way in the production of BET's "College Hill," which premiered last night, and no segments of the show were filmed on CAU's campus. Although several CAU students are a part of the cast, CAU had no control over their participation in the production. Comments/complaints about "College Hill" should be addressed directly to Black Entertainment Television.
