WRITTEN & PERFORMED BY **DANIEL BEATY** / DIRECTED BY **OZ SCOTT**

RESURRECTION is the story of six interconnected black males ages 10-60: a child scientist, a young man from the projects on his way to college, an ex-convict, a corporate executive, a health food store owner, and the Bishop of a mega church - who all experience a phenomenon on the same evening that changes their lives forever. As they tell their stories, they resurrect individually and collectively over issues of physical, spiritual and mental health, poverty, absent fathers, incarceration, addiction, relationships, and education. Featuring Daniel Beaty's unique blend of music, poetry, comedy, and drama,

RESURRECTION is an urgent, timely story of possibility and hope.  
(Due to mature themes, show may not be appropriate for children under 13.)
