

## Alcohol & Drug Policy

In compliance with the Drug Free Schools and Communities Act of 1989 and legal sanctions under Georgia Law, Clark Atlanta University prohibits the illicit or unauthorized possession, use, consumption, sale, or distribution of illegal drugs and/or alcohol by its students and employees on University-owned and/or controlled property or as part of any University-related activities. Violations of this policy will result in appropriate disciplinary action consistent with local, state, and federal laws and University policies and procedures.

## Crime Tips & Whistle Blower

In an effort to reduce crime and criminal activity on campus, the Department of Public Safety has created a Crime Tip webpage specifically designed to allow students, faculty, staff and friends the opportunity to anonymously report officer conduct, whistle blower information, crimes and criminal activity on campus. The site can be accessed by logging onto the CAU website home page. After accessing the home page, go to Departments, drop down and click on the Public Safety tab, then drop down to Crime Tips and the page will display. Please be mindful of the fact that this page is not intended for emergency reporting, only submit silent witness information and crime tips.
