USING DATA SCIENCE TO STRENGTHEN ACADEMIC PROGRAMS

RECOMMENDED FOR DESIGNATED BURNING GLASS USERS AND DEPARTMENT CHAIRS

McPheeters-Dennis Hall – 3rd Floor
CITLE Computer Lab 338

CAU has an institutional license for Burning Glass Technologies®. This platform allows us to obtain powerful analytics used for making data-informed decisions on strengthening and growing our academic programs on industry trends, offerings at peer institutions, skills that employers demand, and a wealth of other real-time data. This session will focus on using reports from Burning Glass to engage in academic planning. Department chairs who are interested in starting new degree programs, stackable credentials, or offering new courses are encouraged to attend. Each CAU School will also have a designated representative who will have the ability to generate the reports.

THURSDAY, AUGUST 15, 2019
