Purpose:

[Phase I/II Timeline](#)

The core purpose of the Department of Assessment is to coordinate and monitor all assessment efforts for Clark Atlanta's Academic Programs (AP), Administrative and Educational Support (AES) Units with the goal of ensuring continuous improvement of student learning and the quality of support services. The Department strives to enrich unit-level capacity with a focus on the effective use of assessment practices guided by the University's Six – Step Annual Assessment and Improvement Process.

Entering Academic Program Review Information

The screenshot shows a web application interface for entering academic program review information. At the top, there is a header bar with a menu icon and the text "Program (A&S) - History BA". Below this is a dark green bar labeled "Program Review". Underneath, a section titled "Program Review Cycle" contains a dropdown menu currently set to "2019 - 2023". A red box labeled "3" highlights this dropdown menu. To the right of the dropdown is a plus sign icon, and a red box labeled "4" highlights a context menu that is open, showing options: "Edit", "Copy", "View/Print", "Audit Log", and "Delete". The "Edit" option is also highlighted with a red box. Below the dropdown, the main content area shows the details for the "2019 - 2023" cycle, including the text "Last Modified: 08/16/2024, E. Duke" and a list of review questions (A1 through B1) with placeholder text "xxx".
