Protect your income and those who depend on it.

This coverage replaces a portion of your income when you can't work because of a qualifying disability. Even if you're healthy now, it's important to protect yourself and the people who count on your income. This insurance can help you pay the bills when you're unable to work.

## This plan offers:

- Competitive group rates
- The convenience of payroll deduction
- Benefits for a qualifying disability that is not work-related

## 🔗 About This Coverage

### What Your Benefit Provides

This is the benefit you'd receive if you were to suffer a qualifying disability. Eligible earnings are your weekly insured predisability earnings, as defined by the group policy. Your benefit amount will be reduced by deductible income; see the Important Details section for a list of deductible income sources.

**60%** of your eligible earnings, up to a maximum benefit of **\$1,000** per week. Plan minimum **\$15** per week.

### Benefit Waiting Period

14 days for accidental injury  
14 days for physical disease, pregnancy or mental disorder

### How Long Your Benefits Last

This is the maximum length of time you could be eligible to receive a weekly disability benefit.

90 days

## ☰ Additional Features

Your coverage comes with some added features:

<b>Return to Work Incentive</b>	Your disability benefit will not be reduced by any work earnings you receive until the combined amount of the benefit and your work earnings exceeds 100 percent of your predisability earnings.
<b>Help with Returning to Work</b>	If a worksite modification would enable you to return to work, we can help your employer make approved modifications by covering some or all of the cost.

## 💰 How Much Your Coverage Costs

Because this insurance is offered through Clark Atlanta University, Inc., you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and benefit amount.

**Use this formula to calculate your premium payment:**

Your Age (as of January 1)	Rate per \$10 of weekly benefit
<30	\$0.528
30-34	\$0.541
35-39	\$0.304
40-44	\$0.185
45-49	\$0.198
50-54	\$0.211
55-59	\$0.277
60+	\$0.356

### **Not being able to work also means not being able to earn a paycheck.**
